LISA BOYLE Besides her many NSS appearances, our cover girl boasts another PLAYBOY connection: "I went to Chicago's Steinmetz high school—Hef's alma mater!" Careerwise, she just made a TV pilot, *Daytona Beach*, and can be seen in David Lynch's *Lost Highway*. *Mizuno*, 1, 3.

HOLLY WITT Miss November '95 is turned on by Harleys, mesquite-grilled fajitas and massages. Turnoffs: lame first lines, bad manners, math and history. *Ric Moore*, 6-7.

STEFANIE HASTINGS She was last seen in the November/December BOL. *David Mecey*, 8, 9.

RHONDA ADAMS Outgoing and positive, Rhonda prefers the same characteristics in her pals. She's turned off by cheap or lazy people and is attracted to optimists. *Mizuno*, 10, 11.

SUNG HI LEE Her idea of a date from hell? "A guy honks his horn instead of coming to the door, dwells on himself or money and has hands like an octopus." *Mizuno*, 12, 13, 14-15.

CHRISTY CARRERA Great personalities and chocolates are turn-ons. Superficial people and cooked carrots are turnoffs. Vital stats: 5'1", 105 lbs., 34-21-32. *Mizuno*, 16, 17.

CLAIRE LOUISE HICKORY Her November/December BOL cover and selection as the London *Sun*'s Page 3 girl of the year have put her career in high gear. *Byron Newman*, 18-19.

DEBBIE RYE In addition to winning numerous beauty pageants, Debbie also operates her own computer business. She admits to being a "shopping bandit" but has a "personality to melt your heart." Vital stats: 5'5", 114 lbs., 36-24-35. *Gen Nishino*, 20, 21.

ALLEY BAGGETT When pressed, Alley admits to fantasizing about wearing sexy lingerie "in a busy public place—like an airport or park." *Gen Nishino*, 22, 23.

SHANINE LINTON We're not sure why, but this British model carries "cream for baby nappy rash" in her purse. Vital stats: 5'5", 112 lbs., 34-24-34. *Byron Newman*, 24-25.

MARY LOU ALLGOOD In a nutshell, she says she's "red, red, red hot—a little bit country, a little bit rock and roll." Vital stats: 5'7", 107 lbs., 34-23-33. *Gen Nishino*, 26, 27.

PATRICIA FORD This two-time Readers' Choice beauty and busy model has had her less than glamorous moments: "Once on a first dinner date I choked on a hot pepper. I turned red, coughed and sputtered. It was not a pretty sight!" *Kelly Scott*, 28, 29, 30-31.

AMELIA DEL BARGO This is Amelia's third NSS appearance. *Byron Newman*, 32.

LANA COX Our Russian-born NSS newcomer listed her hobbies as "sex and exercise" and says she makes a point of turning up a half hour late for dates. *Byron Newman*, 33.

BRANDY FLEMING She's a speech communication major, likes to munch on fruits and veggies, craves sushi and splurges on Butterfingers. *Mizuno*, 34-35.

SUSAN KAZIRO Her ideal man? "A very muscular guy in a red Ferrari, wearing leather shorts." OK, so you don't have any leather shorts; Susan still promises to be on time and be polite on your first date. Vital stats: 5'8", 121 lbs., 34-24-35. *Byron Newman*, 36, 37.

MALISIA PETROPOULOS A dean's list student in business management, Malisia's goal is to open her own modeling agency. She relaxes in a hot tub while sipping a cappuccino and playing a classical CD, or by watching movies. Vital stats: 5'2", 98 lbs., 34-23-34. *Mizuno*, 38, 39.

BEVERLY LYNNE This is her NSS debut. Vital stats: 5'9", 120 lbs., 34-24-34. *Gen Nishino*, 40, 41.

ASHLEY ALLEN A high school cheerleader, homecoming queen and flautist, Miss August '92 turned her attention and talents to modeling after graduation and she's been on the go ever since. Her personal motto? "Live fast, love hard and die laughing." *Ric Moore*, 42-43.

SASHA VALENTINA Taking full advantage of her native New Zealand's vast coastlines, Sasha spent her childhood scuba diving, windsurfing, sailing and sunbathing. She hopes her art school background will help launch her as a fashion designer. *Byron Newman*, 44, 45.

LORI CIANI Nicknamed Spunky by her friends, Lori daydreams of becoming a pro surfer or skier, then operating her own physical therapy practice. *Phillip Vullo, 46, 47.*

GABRIELLA GILLITLIE This Pennsylvanian last appeared in the September/October '95 *Book of Lingerie*. *Phillip Vullo, 48-49.*

VICKY LEE In her own words, she's "sometimes crazy, sometimes mad and sometimes a little sad." She admits to once wearing a G-string to church and considers rubber undies to be her sexiest lingerie. Vital stats: 5'9", 119 lbs., 34-22-35. *Byron Newman, 56, 57, 58-59.*

RACHEL TER HORST Originally from Holland, Rachel now calls London home. When not on assignment she lets her party animal instincts loose. *Byron Newman, 60, 61.*

SOPHIA MARIA KHAN Twenty-four-year-old London-based model Sophia Maria makes her first NSS appearance in this issue. *Byron Newman, 62, 63.*

KIM HOLLIDAY She considers herself "fun, imaginative, friendly, kind and thoughtful" but admits that she sometimes takes things people say too personally. What to do if you ever hurt her feelings? Offer pizza, peach cobbler and ice cream. *Phillip Vullo, 64, 65.*

PAMELA SITARAS This 21-year-old Teaneck, New Jersey native is a dedicated singer/dancer looking for a showbiz career. Vital stats: 5'3", 97 lbs., 34-22-32. *Tom Hooper, 66-67.*

SARA GOOCH Tight jeans, flowers, "hot, sweaty sex" and cocktails—not necessarily in that order—are among this South African's favorite things. Asked what she would order for her last meal, Sara offered this morsel: "A dishy guy! Who needs food?" *Byron Newman, 68, 69.*

JUDI KRANT The first member of her family to be born in the continental U.S. (half the clan is Filipino, half is German), Judi was an all-American girl at the University of Texas, where she earned a B.A. in fine arts. She likes her men "wickedly intelligent, passionate and silly." What would she order for her last meal? "More time—with chocolate sauce!" *Gen Nishino, 70, 71.*

PETRA VERKAİK The greatest effect on her life of being picked a NSS Readers' Choice winner is cyber celebrity, she says. "If you check out the Internet, you'll see me all over the place." TV spots and calendars also contribute to Petra's high public profile. *Mizuno, 72, 73.*

TONYA POOLE A former Army brat, Tonya now marches to her own distinct drummer. She left mom and dad back in Kentucky to complete college and to pursue a career as a model, actress and stuntwoman in L.A. *Mizuno, 74, 75.*

JANIE DICKENS Another Brit makes her NSS debut. *Byron Newman, 76-77.*

STACY RUCKER A talented singer and songwriter in her own right, Stacy has been featured in Billy Ray Cyrus and Dolly Parton music videos, among others. Her ambition, though, is to write, direct and produce her own movies and music. *Jim Hancock, 78, 79.*

CALEY EASON Readers first saw her in *PLAYBOY's Small Town Girls*. Her most embarrassing moment? "Once, when I got back in the boat after waterskiing, my swimsuit was everywhere but where it should have been." *Mizuno, 80, 81.*

TINA NEW Performing was always in her blood. "I loved to dance as a kid. The truth? I was a big ham!" She has a ton of TV appearances to her credit—*Married with Children, Wings, Diagnosis Murder, Baywatch, Renegade* and *Hightide*, to name a few. *Kelly Scott, 82-83.*

ELISE DANIELS This future paramedic is turned on by a sense of humor, chocolate and hand massages and is turned off by hunters, litterbugs and feet. *Kelly Scott, 84, 85, 86-87.*

STACEY LEE COLDREN Based in her native Texas, Stacey enjoys Rollerblading and aerobics when she has time off from modeling gigs. *David Chan, 88, 89.*

TAMARA FORD One look and it's obvious Ms. Ford is into total fitness. *Marti Griffin, 90, 91.*
